FARM BUSINESS DISCUSSION GROUPS

Join a group with 5-6 like minded farm businesses, to bring structure and discipline to your farming business.

Challenge your thinking and practices

Set, share and strive to achieve clear Business and Personal Goals

Reduce management isolation, harness the power of many minds

Learn from and help others – many of your challenges have solutions already

Take control of your business planning, budgeting and financial management

Access to our panel of specialist consultants and facilitators

Regular contact with your group creates accountability, motivation and support

Generate more profit, create more wealth

Attend 3, one day face to face, facilitated meetings per year

MEETING STRUCTURE

FEB/MARCH

- Review Vision , Goals, Objectives
- Strategic Plan – (Now, Where, How) is the strategy still appropriate to deliver on goals
- End of year review – what worked well last year, what needs improving, how will the annual operational plan address this?
- Deliver annual production plan
- Deliver annual Cash Flow budget
- Other issues for discussion

JUNE

- Review cash flow budget to actual
- Review operating plan – how is the season developing, how are we planning to respond?
- Are we maintaining alignment with our goals, strategy and addressing areas for improvement identified in bench marking?
- Grain marketing strategy
- Tax management strategies
- Other issues

OCTOBER

- Review budget to actual cash flow – are we reacting to short falls, identifying opportunities?
- Grain marketing – what is strategy, develop implementation schedule
- Harvest planning and preparation
- Harvest potential and decision making
- Other issues
